

Customer Service Guarantee Exemption Advice – 20240205-QLD-E-C-I-CENTRAL NORTH EAST EXT 3

We've previously advised of an interruption to Telstra's normal operations, due to parts of the Central Coast districts for Queensland were impacted by severe thunderstorms resulting in heavy rainfall, flash flooding and road closures between 3rd February 2024 to 5th February 2024.

We are continuing to experience ongoing delays in installation and repair activities due to this event. We estimate that as many as 66 Telstra services may be impacted.

Services in the area mentioned above with phone numbers in the following number ranges may have been affected:

- 07 4835 2000 To 07 4848 7999
- 07 4898 4000 To 07 4939 9999
- 07 4956 9000 To 07 4984 4699
- 07 4996 4200 To 07 4999 4999

How will this affect you?

We anticipate that most services will be restored by 30th May 2024. We're sorry for any inconvenience this delay may cause but we can assure you we are working hard to get things back on track.

In the event this timeframe is extended, a revised notification will be provided.

What else do you need to know?

Due to the extreme weather conditions, we're claiming an exemption under section 24 of the Telecommunications (Customer Service Guarantee) Standard 2023, including an exemption from the payment of compensation between 5th February 2024 to 30th May 2024 inclusive for any delays in fixing or connecting services, and the keeping of appointments relating to these activities in the impacted area.

The exemption process is explained in sections 24–30 of the *Telecommunications (Customer Service Guarantee) Standard 2023*, which can be found on the [Australian Government, Federal Register of Legislation](#) website.
